

TWIN BUTTE
ENERGY LTD.

Twin Butte Energy Ltd. is a value-oriented intermediate producer with a significant inventory of low risk drilling, providing attractive rates of return, focused on large in-place conventional medium and heavy oil pools. Twin Butte's production base provides a platform allowing the Company to live within cash flow while providing shareholders a sustainable dividend and moderate per share production growth potential over both the short and long term. Twin Butte is committed to continually enhance its asset quality while focusing on the sustainability of its dividend. The common shares of Twin Butte are listed on the TSX under the symbol "TBE".

We are currently recruiting for a Production Technician. Reporting to the Senior Manager, Production Engineering, this position will be located in our Calgary Office and provides the opportunity to be involved in a full range of responsibilities including the following:

ACCOUNTABILITIES and RESPONSIBILITIES:

- Accountable for the accurate and timely update and distribution for all weekly corporate production and sales reports.
- Delivery of corporate Enhanced Production Audit Program (EPAP).
- Create and update metering schematics.
- Corporate regulatory administrator and contact for the AER, OGC, and Saskatchewan Ministry of Economy.
- Assist field production administrators with field data capture (PVR).
- Evaluate and improve accuracy of production reporting.

QUALIFICATIONS:

- 3 to 5 years' experience in a technical administrative role.
- Preference given to candidates with post secondary education.
- Self-motivated and energetic.
- Strong communication, organizational and computer skills.

Twin Butte Energy offers a comprehensive, competitive total compensation package.

If you are interested in this career opportunity, please submit a resume to HR@twinbutteenergy.com no later than June 12, 2015. Please include the job title in the subject heading.

Twin Butte Energy thanks all applicants for their interest but only candidates chosen for an interview will be contacted.
