

TWIN BUTTE
ENERGY LTD.

Twin Butte Energy Ltd. is a growing, value oriented intermediate producer with a significant low risk, high rate of return drilling inventory focused on large original oil in place conventional medium and heavy oil exploitation. With a stable low decline production base, Twin Butte is well positioned to live within cash flow while providing shareholders a sustainable dividend and moderate per share production growth potential over both the short and long term. Twin Butte is committed to continually enhance its asset quality while focusing on the sustainability of its dividend. The common shares of Twin Butte are listed on the TSX under the symbol "TBE".

We are currently recruiting for a **Senior Production Engineer** in our **Calgary Office**. Reporting directly to the Senior Manager, Production Engineering this role provides the opportunity to be involved in a full range of responsibilities including the following:

ACCOUNTABILITIES & RESPONSIBILITIES:

- Accountable for the engineering associated with managing base production targets, capital enhancement projects and providing field support in our medium oil and w5 gas assets.
- Accountable to ensure that all engineering and project work done in areas of responsibility maximise the financial returns of the asset and Twin Butte Energy.
- Responsible for the review of production trends and well histories and recommendations in order to develop well and field optimization strategies.
- Responsible to perform field and well reviews with field operations in order to recommend reactivation, recompletion or abandonment candidates.
- Responsible to provide technical scope for completions, workovers and reactivations.
- Responsible to monitor operating costs and assist in the preparation of annual budgets.

QUALIFICATIONS:

- 8 to 10 years' experience in production and operations engineering with medium oil properties.
- Professional designation with APEGA or ASET.
- Self-motivated, energetic and a bias for action.
- Strong communication and computer skills.

Twin Butte Energy offers a comprehensive, competitive total compensation package.

If you are interested in this career opportunity, please submit a resume to HR@twinbutteenergy.com. Please include the job title in the subject heading.

Twin Butte Energy thanks all applicants for their interest but only candidates chosen for an interview will be contacted.
